

# OC Spray Station

MK-4 and MK-9 cabinets · multiple sizes available

## PROTECT YOUR ASSETS · MULTIPLE SIZES AVAILABLE

Key Systems, Inc. is an innovative leader of security and protection products in prisons and correctional facilities. The KSI OC Spray Station provides safe handling and control of OC spray and confirms canisters are to specified weight. The station provides controlled distribution, storage, removal from service, and detailed reporting for chemical spray canisters. Each station is network ready for remote programming of access and provides real time transactions to GFMS (Global Facilities Management System™ software).

MK-4 and MK-9 — the two canister sizes the cabinets are built for.

## Features

### Confirm canisters are loaded

Canister is weighed by our internal scale and then evaluated for service or for disposal.

### Multiple sizes

MK-4 cabinets can hold 24, 48, or 80 OC canisters. The MK-9 cabinet can hold 16 OC canisters.

### Disposal

MK-4 cabinets include a separate section for disposal of canisters.

### Reports

OC canisters are individually identified. Our software allows monitoring of usage, the creation of time zones, email alerts, and other controls and reports.

### User ID

User identification options include PIN, Card Swipe, Proximity, and Biometrics.

### Integrates with GFMS

Automatically import users and groups to GFMS software to reduce data entry and remain synched with your existing access control system.

### Weighing on the display

On return the internal scale weighs the canister. The display shows the canister number and the weight, and reports whether the canister is ok.

### Integrate with your access control

Global Facilities Management System™ refers not to a specific security device or software application but to your entire Key Systems, Inc. install functioning together. All our electronic asset control devices are designed to function as a part of your GFMS™ solution.

## Size specifications

| CABINET     | CAPACITY | W × H × D (INCHES) | W × H × D (CM)  |
|-------------|----------|--------------------|-----------------|
| <b>MK-4</b> | 24 cans  | 24.25 × 25 × 8"    | 62 × 64 × 20 cm |
| <b>MK-4</b> | 48 cans  | 34.3 × 25 × 8"     | 87 × 64 × 20 cm |
| <b>MK-4</b> | 80 cans  | 34.3 × 33.875 × 8" | 87 × 86 × 20 cm |
| <b>MK-9</b> | 16 cans  | 34.3 × 33.875 × 8" | 87 × 86 × 20 cm |

Dimensions in inches as given by the manufacturer; centimetres converted and rounded. Dimensions subject to change.
